

# DAY 16

S Read 1 Samuel 20

C How fortunate David was to have a friend like Jonathan, someone who stuck by him through thick and thin. Jonathan was a friend that would even feel a righteous anger because of the shameful treatment that David received.

A What kind of friends do you have? We must strive to have friends in our life like Jonathan – the ones who will encourage and support us, no matter what. In addition, we must always strive to be a “Jonathan” kind of friends to others.

P *“God, please help me to surround myself with people that will always point me towards Your best. Today as I fast and seek You, I ask you to reveal to me the people that You have placed in my life that will help me become the person You are calling me to be. Amen.”*
