

# Mt Oak Christian School

## Work Study Credit

### Essential Questions

On a separate piece of paper, please answer these questions in complete sentences.

1) Introduce yourself, tell what grade you are in, and introduce your business or agency partner you worked for. (Communication skills)

2) Please explain why you have chosen your paid position or internship opportunity and why you have chosen the agency or company/business with whom you are working. (Decision making skills)

3) Explain why you believe your job or internship will benefit you after you graduate. (Employment skill development)

4) Explain what you do for your business and tell us about your job position responsibilities. (Understanding expectations)

5) What three job and personal skills are most important for your success? (Employee skill development)

6) What things do you do above and beyond what is expected of you? (Workplace initiatives)

7) If you were the president or manager, what would you do to help make your business or agency more effective or efficient? (Problem solving skills)

8) Explain why an employer would want to hire you. (Personal development and self marketing skills)

**Final Requirement: Provide a Time Sheet with the number of hours worked or interned. A year to date paystub will suffice or a signed paper from your Supervisor of the number of hours interned/worked. 60 hours = ½ credit and 120 hours = 1 credit.**
